Esther Hagen-Plantinga
Nutrissues

Esther Hagen-Plantinga

Received her veterinary degree from Utrecht University in the Netherlands, where she also obtained her doctorate degree in animal nutrition in 2003. She was employed as an assistant professor in animal nutrition at Utrecht University for 12 years. As of January 2019 she fully focusses on her Pet Nutrition Consultancy Agency called Nutrissues. She is a board certified specialist in comparative veterinary clinical nutrition at the European College of Comparative Veterinary Nutrition. Her research interests include influence of nutrition on (disease of) the urinary system in companion animals and Palaeolithic nutrition of dogs and cats.
